

DVC Roofing & Building Ltd undertake roofing and building works throughout the UK and we give a commitment to support local communities in the areas where we work to enable growth, which delivers community benefits and additional social value. We assist our public authority customers to maximise social, economic, and environmental well-being of local communities in accordance with The Public Services (Social Value) Act 2012. This policy is supported by our sustainability policy, CSR policy and supporting policies and procedures.

Through collaboration with our client and supply chain partners, DVC Roofing & Building Ltd is committed to:

Employment Skills

- Enabling local people to obtain the skill needed to access employment.
- Providing our employees with new skills for the future
- Creating employment opportunities within the communities that we work
- Removing barriers to employment in the construction industry for underrepresented and disadvantaged groups
- Offering employment opportunities to those who serve or have served in our armed forces.

Local Business & Economy

- Providing work opportunities for small, medium, micro-sized businesses, social enterprises and minority owned businesses.
- Procuring goods, materials, and services locally where possible
- Supporting small, medium, micro-sized businesses, social enterprises and minority owned businesses to improve capability and grow sustainability.

Community Engagement

- Carrying out volunteering activities that deliver benefits to local communities.
- Partnering with local and national charities to support employment opportunities and environmental regeneration to meet local needs.
- Working with local charities on key themes to deliver additional benefits to the communities in which work.
- Working with education and training providers, industry bodies and charities to offer curriculum support and work experience opportunities.

Environment

- Using resources efficiently to reduce waste and maximise value
- Playing our part to reduce air pollution, noise, vibration, and nuisance within local communities to improve health
- Promoting sustainable and ethical procurement
- Promoting green and blue space and increasing biodiversity net gain in recognition of the social value this brings.

Governance, Measurement & Reporting

- Maintaining clear accountability for delivering this policy
- Monitoring and reporting our social value impact by using recognised independent tools
- Continuously improving our standards, efficiency, and effectiveness.

This Policy will be reviewed no later than 12 months from the date below.

Signed for and on behalf of DVC Roofing & Building Ltd

Mr. Darren Van-Cliff

Designation: Managing Director

Date: 12th September 2024
